

GENERAL TERMS AND CONDITIONS OF SALE (CONDITIONS)

1. GENERAL

- 1.1 These General Terms and Conditions of Sale («Conditions») govern the offering, sale and delivery of all goods and/or services (hereinafter jointly referred to as the «Product(s)») from or on behalf of iNNutriGEL AG («iNNutriGEL») to the customer («Customer») and apply to all transactions between iNNutriGEL and the Customer.
- 1.2 By contracting on the basis of the Conditions, Customer agrees to the applicability thereof in respect of all future dealings, even if this is not explicitly stated.
- 1.3 iNNutriGEL explicitly rejects the applicability of any general terms and conditions of Customer. Furthermore, the Conditions supersede any and all terms of prior oral and written quotations, communications, agreements and understandings of the parties in respect of the sale and delivery of the Products and shall apply in preference to and supersede any and all terms and conditions of any order placed by Customer and any other terms and conditions submitted by Customer. Failure by iNNutriGEL to object to the terms and conditions set by Customer shall in no event be construed as an acceptance of any of the terms and conditions of Customer. Neither iNNutriGEL's commencement of performance nor iNNutriGEL's delivery shall be deemed as acceptance of any of Customer's terms and conditions. If the Conditions differ from any of the terms and conditions of Customer, the Conditions and any subsequent communication or conduct by or on behalf of iNNutriGEL, including, without limitation, confirmation of an order and delivery of Products, constitute a counter-offer and not acceptance of such terms and conditions submitted by Customer. Any communication or conduct of Customer which confirms an agreement for the delivery of Products by iNNutriGEL, as well as acceptance by Customer of any delivery of Products from iNNutriGEL shall constitute an unqualified acceptance by Customer of the Conditions.
- 1.4 The current version of the Conditions is available at <http://www.innutri.ch/impressum>. iNNutriGEL reserves the right to amend the Conditions at any time. iNNutriGEL will notify Customer of any such amendments by sending the amended Conditions to Customer, posting them on the aforementioned Internet site or otherwise. The amended Conditions will take effect on the date of notification of these amendments. The amended Conditions shall apply to all transactions concluded between Customer and iNNutriGEL after the date of such notification.
- 1.5 Any electronic communication between iNNutriGEL and Customer shall be effective as originals and shall be considered to be a «writing» between the parties. The electronic communication system used by iNNutriGEL will serve as sole proof for the content and the time of delivery and receipt of such electronic communications.

2. QUOTATIONS, ORDERS AND CONFIRMATION

- 2.1 Unless stated otherwise by iNNutriGEL, quotations made by iNNutriGEL in whatever form are not binding to iNNutriGEL and merely constitute an invitation to Customer to place an order. All quotations issued by iNNutriGEL are revocable and subject to change without notice. Orders are not binding until accepted by iNNutriGEL in writing («Order Confirmation»). iNNutriGEL shall be entitled to refuse an order without indicating the reasons.
- 2.2 Price quotations based on estimated or projected quantities are subject to increase in the event that actual quantities purchased during the specified period are less than the estimated or projected quantities.
- 2.3 As a result of the manufacturing process, over- or under-delivery of plus/minus 10 % (ten percent) of the ordered quantity (in sales units) may occur and shall be deemed to have been fulfilled in relation to the quantity confirmed in the order confirmation.
- 2.4 Each delivery shall stand as a separate transaction and any failure to deliver shall have no consequences for other deliveries.

3. PRICES

- 3.1 Prices and currencies of iNNutriGEL's Products are as set out in the Order Confirmation. Unless otherwise agreed, iNNutriGEL's prices include standard packaging but do not include Value Added Tax or any other similar applicable taxes, duties, levies or charges in any jurisdiction levied in relation to the Products or the delivery thereof («Taxes»). The amount of any Taxes levied in connection with the sale of Products to Customer shall be for Customer's account and shall either be added to each invoice or separately invoiced by iNNutriGEL to Customer. If iNNutriGEL grants a discount, this discount only relates to the delivery specifically mentioned in the Order Confirmation.
- 3.2 Unless the prices have been indicated as firm by iNNutriGEL in the Order Confirmation, iNNutriGEL is entitled to increase the price of the Products still to be delivered if the cost price determining factors have been subject to an increase. These factors include but are not limited to: raw and auxiliary materials, energy, products obtained by iNNutriGEL from third parties, wages, salaries, social security contributions, governmental charges, freight costs and insurance premiums. iNNutriGEL shall notify Customer of such increase which shall not exceed the increase in the determining cost factors.
- 3.3 In the event of over- or underdelivery, the price or the confirmed order value increases or decreases in accordance with the quantity actually delivered.

- 3.4 Unless otherwise agreed, the customer must bear all costs incurred in regard of pre-press or in connection with the dispatch of samples, documents and the like after a production.

4. PAYMENT AND CUSTOMER'S CREDIT

- 4.1 Unless stated otherwise in the Order Confirmation,
- (a) payment shall be made on the basis of net cash, to be received by iNNutriGEL within 30 (thirty) days following the date of iNNutriGEL's invoice. All payments shall be made without any deduction on account of any Taxes and free of set-off or other counterclaims except for set-offs with uncontested and/or enforceable counterclaims.
- (b) 50% of the order value confirmed in the order confirmation shall be paid as a down payment immediately upon receipt of the order confirmation or the corresponding invoice - if it is the Customer's first or initial order. iNNutriGEL will deduct this down payment from the final invoice due after delivery of the products. In the case of first or initial orders, the order confirmation shall only become valid once the down payment has been received.
- 4.2 With regard to payment for the Products, time is of the essence. iNNutriGEL may, without prejudice to any other rights of iNNutriGEL, charge interest on any overdue payment at 12% (twelve percent) per annum from the due date computed on a daily basis until all outstanding amounts are paid in full. All costs and expenses incurred by iNNutriGEL with respect to the collection of overdue payments (including, without limitation, reasonable attorney's fees, expert fees, court costs and other expenses of litigation) shall be for Customer's account.
- 4.3 Every payment by Customer shall in the first place serve to pay the judicial and extra-judicial costs and the accrued interest and shall afterwards be deducted from the oldest outstanding claim regardless of any advice to the contrary from Customer.
- 4.4 Any complaint with respect to the invoice must be notified to iNNutriGEL in writing within 20 (twenty) days after the date of invoice. Thereafter, Customer shall be deemed to have approved the invoice.

5. DELIVERY AND ACCEPTANCE

- 5.1 Unless stated otherwise in the Order Confirmation, all deliveries of Products shall be EXW (Ex Works). The term EXW shall have the meaning as defined in the latest version of INCOTERMS published by the International Chamber of Commerce in Paris, France, at the time of the Order Confirmation. "Works" is, unless otherwise agreed, identical to the domicile of the manufacturer of the products of iNNutriGEL, at the time of the entry into force of these Conditions in 21435 Stelle, Germany.
- 5.2 Unless stated otherwise in the Order Confirmation, any times or dates for delivery by iNNutriGEL are estimates and shall not be of the essence. iNNutriGEL is entitled to deliver the Products as stated in the Order Confirmation in parts and to invoice separately. Delay in delivery of any Products shall not relieve Customer of its obligation to accept delivery thereof, unless Customer cannot reasonably be expected to accept such late delivery. Customer shall be obliged to accept the Products and pay the rate

specified in the Order Confirmation for the quantity of Products delivered by iNNutriGEL.

6. CANCELLATION

- 6.1 Customer's wrongful non-acceptance or rejection of Products or cancellation of the Order Confirmation shall entitle iNNutriGEL to recover from Customer, in addition to any other damages caused by such action:
- (a) in the case of Products which reasonably cannot be resold by iNNutriGEL to a third party, the price of such Products as quoted in the Order Confirmation; or
- (b) in the case of Products which can be resold by iNNutriGEL, damages equal to 50% (fifty percent) of the price for the Products as quoted in the Order Confirmation as liquidated damages, unless Customer can demonstrate that the actual damages incurred by iNNutriGEL are lower than 50% of the price or were not suffered at all.

7. EXAMINATION AND CONFORMITY TO SPECIFICATIONS

- 7.1 On delivery and during the handling, use, commingling, alteration, incorporation, processing, transportation, storage, importation and (re)sale of the Products (the «Use»), Customer shall examine the Products and satisfy itself that the Products delivered meet the agreed specifications for the Products as stated in the Order Confirmation or, in the absence of agreed specifications, to the most recent specifications used by iNNutriGEL at the time of delivery of the Products (the «Specifications»).
- 7.2 Complaints about the Products shall be made in writing and must reach iNNutriGEL not later than 7 (seven) days from the date of delivery in respect of any defect, default or shortage which would be apparent from a reasonable inspection on delivery, and 7 (seven) days from the date on which any other claim (e.g. hidden defects) was or ought to have been apparent, but in no event later than
- (a) 6 (six) months from the date of delivery of the Products or
- (b) the expiry of the Products' shelf-life whichever is the earlier. Any Use of the Products shall be deemed to be an unconditional acceptance of the Products as of the date of delivery and a waiver of all claims in respect of the Products.
- 7.3 A determination of whether or not delivered Products conform to the Specifications shall be done solely by iNNutriGEL analysing the samples or records retained by iNNutriGEL and taken from the batches or production runs in which the Products were produced in accordance with the methods of analysis used by iNNutriGEL. In case of a disaccord between the parties concerning the quality of a batch or production run of Products supplied by iNNutriGEL to Customer, iNNutriGEL will submit representative samples of said batch or run to an independent laboratory reasonably acceptable to Customer to have determined whether or not the batch or run in question has met the Specifications. The results of such analysis shall be binding upon the parties and the party unable to uphold its position shall bear the related costs of the laboratory.
- 7.4 Defects in parts of the Products do not entitle Customer to reject the entire delivery of the Products, unless Customer cannot reasonably be expected to accept delivery

of the remaining non defective parts of the Products. Complaints, if any, do not affect Customer's obligation to pay as defined above.

8. TRANSFER OF RISK AND PROPERTY

- 8.1 The risk of the Products shall pass to Customer according to the applicable Incoterm.
- 8.2 The title to the Products shall not pass to Customer and full legal and beneficial ownership of the Products shall remain with iNNutriGEL unless and until iNNutriGEL has received payment in full for the Products, including costs such as interest, charges, expenses etc.
- 8.3 In the event of termination according the later definitions, iNNutriGEL shall, without prejudice to any other rights of iNNutriGEL, be entitled to require immediate return of the Products, or to repossess the Products, for which it may invoke a retention of title.

9. LIMITED WARRANTY

- 9.1 Unless otherwise agreed, the warranty is based on the specification of the product shown in the order confirmation. iNNutriGEL cannot give any binding guarantee for the shelf life and stability of the active ingredients. iNNutriGEL guarantees a declaration of ingredients and nutritional values which is correct to the best of its knowledge and belief, as well as production in accordance with the recipe and manufacturing instructions assigned to the product.
- 9.2 iNNutriGEL solely warrants that on the date of delivery the Products shall conform to the Specifications. If and to the extent Products are in breach with such warranty, as determined in accordance with definitions above iNNutriGEL may at its own option and within a reasonable time either repair or replace the Products at no charge to Customer, or issue a credit for any such Products in the amount of the original invoice price. Accordingly, iNNutriGEL's obligation shall be limited solely to repair or replacement of the Products or for credit of the Products.
- 9.3 iNNutriGEL's obligation to repair, replace, or credit shall be contingent upon receipt by iNNutriGEL of timely notice of any alleged non-conformance of Products and, if applicable, the return of the Products, in accordance with definitions above.
- 9.4 The foregoing warranty is exclusive and in lieu of all other warranties, representations, conditions or other terms, express, implied, statutory, contractually or otherwise, including, without limitation, any warranty of merchantability, suitability or fitness for any purpose, or absence of infringement of any claim in any intellectual property right covering the Products.

10. LIMITED LIABILITY

- 10.1 iNNutriGEL's liability for any and all claims arising out of or in connection with the Products and the Use thereof shall per occurrence be limited to direct damages of Customer and shall under no circumstances exceed the sales value of the defective batch of the relevant Product supplied to Customer.

- 10.2 iNNutriGEL shall under no circumstances be liable to Customer or any other person for any kind of special, incidental, indirect, consequential or punitive damage or loss, cost or expense, including without limitation, damage based upon lost goodwill, lost sales or profit, delay in delivery, work stoppage, production failure, impairment of other goods or based on any other cause, and whether arising out of or in connection with breach of warranty, breach of contract, misrepresentation, negligence or otherwise.

11. FORCE MAJEURE

- 11.1 Neither party shall be liable in any way for any damage, loss, cost or expense arising out of or in connection with any delay, restriction, interference or failure in performing any obligation towards the other party caused by any circumstance beyond its reasonable control, including, without limitation, acts of God, laws and regulations, administrative measures, orders or decrees of any court, earthquake, flood, fire, explosion, war, terrorism, riot, sabotage, accident, epidemic, strike, lockout, slowdown, labour disturbances, difficulty in obtaining necessary labour or raw materials, lack of or failure of transportation, breakdown of plant or essential machinery, emergency repair or maintenance, breakdown or shortage of utilities, delay in delivery or defects in goods supplied by suppliers or subcontractors ("Force Majeure").
- 11.2 Upon the occurrence of any event of Force Majeure, the party suffering thereby shall promptly inform the other party by written notice thereof specifying the cause of the event and how it will affect its performance of its obligations under the Order Confirmation. In the event of any delay, the obligation to deliver shall be suspended for a period equal to the time loss by reason of Force Majeure. However, should a Force Majeure event continue or be expected to continue for a period extending to more than 60 (sixty) days after the agreed delivery date, either Party is entitled to cancel the affected part of the Order Confirmation without any liability to the other Party.

12. MODIFICATIONS AND INFORMATION; INDEMNITY

- 12.1 Unless the Specifications have been agreed to be firm for a certain period of time or quantity of Products, iNNutriGEL reserves the right to change or modify the Specifications and/or manufacture of Products and to substitute materials used in the production and/or manufacture of Products from time to time without notice. Customer acknowledges that data in iNNutriGEL's catalogues, product data sheets and other descriptive publications distributed or published on its websites may accordingly be varied from time to time without notice.
- 12.2 Customer must utilise and solely rely on its own expertise, know-how and judgment in relation to the Products and Customer's Use thereof. Consultation provided by iNNutriGEL shall not give rise to any additional obligations. Customer shall indemnify and hold iNNutriGEL harmless from and against any and all damages, losses, costs, expenses, claims, demands and liabilities (including without limitation product liabilities) arising out of or in connection with the Products and Customer's Use thereof.

13. COMPLIANCE WITH LAWS AND STANDARDS

- 13.1 Customer acknowledges that the Use of the Products may be subject to requirements or limitations under any law, statute ordinance, rule, code or standard, including, but not limited to, all applicable regulations relating to anti-bribery and anti-corruption as well as to international trade, such as, but not limited to, embargos, import and export control and sanctioned party lists («Laws and Standards»).
- 13.2 Customer expressly warrants that employees, agents and subcontractors of the Customer shall not directly or indirectly accept, promise, offer or provide any improper advantage to or enter into an agreement
- (a) with any entity or person - including officials of a government or a government- controlled entity –, or
- (b) relating to a product, which would constitute an offence or infringement of applicable Laws and Standards.
- 13.3 Customer shall be exclusively responsible for ensuring compliance with all Laws and Standards associated with its intended Use of the Products; and obtaining all necessary approvals, permits or clearances for such Use.

14. INDEPENDENT CONTRACTORS

- 14.1 iNNutriGEL and Customer are independent contractors, and the relationship created hereby shall not be deemed to be that of principal and agent.

15. NON-ASSIGNMENT AND CHANGE OF CONTROL

- 15.1 Neither party may assign any of the rights or obligations under the Order Confirmation without the prior written consent of the other party, except that either party may assign such rights and obligations to any of its affiliates or to a third party acquiring all or a substantial part of its assets or business relating to the Products.
- 15.2 iNNutriGEL shall have the right to terminate the Order Confirmation with immediate effect if at any time during the term of the Order Confirmation a person or group of persons, who are unrelated to the persons controlling Customer as of the date of the Order Confirmation, acquires control, through ownership of voting securities or otherwise, over Customer. Customer must notify iNNutriGEL of such acquisition within 10 (ten) days thereof. iNNutriGEL may exercise its right to terminate the Order Confirmation by giving Customer written notice of such exercise within 10 (ten) days after the date of receipt of such notice.

16. SUSPENSION AND TERMINATION

- 16.1 If Customer is in default of performance of its obligations towards iNNutriGEL and fails to provide to iNNutriGEL adequate assurance of Customer's performance before the date of scheduled delivery; or if Customer becomes insolvent or unable to pay its debts as they mature, or goes into liquidation (other than for the purpose of a reconstruction or amalgamation) or any bankruptcy proceeding shall be instituted by or against Customer or if a trustee or receiver or administrator is appointed for all or a substantial part of the assets of Customer or if Customer enters into a deed of arrangement or makes any assignment for the benefit of its creditors, or in case of non-compliance of Customer with Laws and Standards,

then iNNutriGEL may by notice in writing forthwith, without prejudice to any of its other rights:

(a) demand return and take repossession of any delivered Products which have not been paid for and all costs relating to the recovery of the Products shall be for the account of Customer; and/or

(b) suspend its performance or terminate the Order Confirmation for pending delivery of Products unless Customer makes such payment for Products on a cash in advance basis or provides adequate assurance of such payment for Products to iNNutriGEL.

- 16.2 In any such event of the above article all outstanding claims of iNNutriGEL shall become due and payable immediately with respect to the Products delivered to Customer and not repossessed by iNNutriGEL.

17. WAIVER

- 17.1 Failure by iNNutriGEL to enforce at any time any provision of the Conditions shall not be construed as a waiver of iNNutriGEL's right to act or to enforce any such term or condition and iNNutriGEL's rights shall not be affected by any delay, failure or omission to enforce any such provision. No waiver by iNNutriGEL of any breach of Customer's obligations shall constitute a waiver of any other prior or subsequent breach.

18. SEVERABILITY AND CONVERSION

- 18.1 In the event that any provision of the Conditions shall be held to be invalid or unenforceable, the same shall not affect in any respect whatsoever, the validity and enforceability of the remaining provisions between the parties and shall be severed there from. The pertaining provisions held to be invalid or unenforceable shall be reformed to meet the legal and economic intent of the original provisions to the maximum extent permitted by law.

19. LIMITATION OF ACTION

- 19.1 Unless otherwise stated hereunder, no action by Customer shall be brought unless Customer first provides written notice to iNNutriGEL of any claim alleged to exist against iNNutriGEL within 30 (thirty) days after the event complained of first becomes known to Customer and an action is commenced by Customer within 12 (twelve) months after such notice.

20. GOVERNING LAW AND VENUE

- 20.1 The parties' rights and obligations arising out of or in connection with the Order Confirmation and/or the Conditions shall be governed, construed, interpreted and enforced according to the laws of Switzerland, without regard to the conflict of laws provisions thereof. The United Nations Convention on Contracts for the International Sale of Goods dated 11 April 1980 (CISG) shall not apply.

- 20.2 The parties agree that any suits, actions or proceedings that may be instituted by any party shall be initiated exclusively before the competent courts of the domicile of iNNutriGEL, without restricting any rights of appeal and without prejudice to iNNutriGEL's right to submit the matter to any other competent court.

21. SURVIVAL OF RIGHTS

21.1 The parties' rights and obligations shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, directors, officers, employees, agents and legal representatives. Termination of one or more of the parties' rights and obligations, for whatever reason, shall not affect those provisions of the Conditions which are intended to remain in effect after such termination.

22. INTELLECTUAL PROPERTY

22.1 All intellectual property rights arising out of or in connection with the Products shall be the exclusive property of iNNutriGEL.

22.2 iNNutriGEL has not verified the possible existence of third party intellectual property rights which might be infringed as a consequence of the sale and/or delivery of the Products and iNNutriGEL shall not be held liable for any loss or damage in that respect.

23.3 The sale of Products shall not, by implication or otherwise, convey any license under any intellectual property right relating to the compositions and/or applications of the Products, and Customer explicitly assumes all risks of any intellectual property infringement by reason of the Use of the Products, whether singly or in combination with other materials or in any processing operation.

23. FORMALITIES AND LANGUAGE

23.1 The headings contained in these Conditions serve only as an overview and have no effect on the interpretation or interpretation of the Conditions. The document was created with automatic hyphenation.

23.2 The original version of these Conditions was prepared in German. In the event of discrepancy or contradiction between the German version and a translation thereof, the German version shall prevail.
